## Abandoned

👁️ 22 ✓ 1 ★ 1

### Chapter 1 by Aaron Hartmann

One day, my 3 friends and I went to go pick rocks at a farm. It was pretty good pay, \$10 an hour. We had a pretty good start but then when we were in the middle of the field, everyone got on the wagon and left.

We've been abandoned.

### Chapter 2 by Aaron Hartmann

The three kids were worried and started to wonder if they were ever coming back from them. They were sitting down until they heard the sound of the tractor coming from the east. We get up and start cheering.

They get back to work picking rocks and once the wagon got full, everyone got on the wagon except for me and my friends.

We've been abandoned, again.
